

DESIGNING and PLANTING COLORFUL SUMMER CONTAINERS
with Susan B. Viemeister

Wednesday , May 9th

10 a.m.- 1:30 p.m.

Planted containers can be a great way to bring **color into your landscape** for your deck, for your front door, or even placed in the garden beds for accents. In this workshop we will talk about color choices and design concepts to help you choose the best combination of plants for your planters. Then we will get our hands dirty and plant a container that you will take home for your own garden.

As time allows, there will be a **tour of the Pharsalia gardens** to see how the choice of planted containers, as well as antiques, add to the character of these gardens.

Cost of soil, planter, and four plants are included in the price of workshop.

Additional plants- annuals and herbs- will be available for sale.

Please dress appropriately for outdoor activities and bring your favorite clippers and gloves.

This class fills quickly- register early!

Catered Lunch is included in the fee.

Fee: \$75

Susan B. Viemeister is a landscape designer, certified horticulturalist and artist. She works with homeowners and contractors from Charlottesville to Lynchburg and has given talks to gardening clubs and professional groups in Central Virginia for over ten years. **She is the head gardener and landscape designer for Pharsalia.**
